PROJECT : MISSION STATEMENT MIKE BOLHUIS

INTRODUCTION

South Africa has, in recent years, become a haven for crime in all its aspects. This could be attributed to many factors, including economic and social issues, mostly left unresolved and unaddressed by authorities and government. It is therefore crucial that citizens have the option to turn to an organisation specialising in serious violent and serious economic crimes, in order to have a resolution to crime affecting everyday life and existence.

With a reputation that has been built on reliable service and the highest levels of integrity and quality service, Mike Bolhuis and his organisation would like to introduce themselves as a premier private institution that has the resources and ability to effectively fight and combat crime. We pride ourselves on our direct approach and easy accessibility.

We have a no-nonsense ethos, meaning that we take on and deal with all cases objectively. We focus on established facts and proceed without bias and prejudice. We have found this to be an effective method in combating crime and injustice.

OUR MOTTO

Justice for All

1. Combat crime.
